

Memberships

Heavenly Spa by Westin

Discover a city-centre sanctuary at Heavenly Spa by Westin. Life can sometimes get in the way of living, and a spa membership can give you back your time: to relax, to think and to be yourself.

We believe that much of the value of our membership experience comes not only from the facilities, treatments, and products, but from having the time and space for silence, separation from technology and personal reflection and contemplation.

SWIMMING POOL

Dive in our 12-metre indoor swimming pool and unwind in our facilities including vitality pool, sauna, steam room, experience shower and ice fountain.

WESTINWORKOUT FITNESS STUDIO

From a world-class bike experience with Peloton Bike to Technogym equipment, our fitness studio is fully equipped with everything you need to enhance your well-being. Re-energize and power up the pace with a variety of cardio equipment, free weights and more.

PERSONAL TRAINING

Guests of The Westin London City and members can enjoy bespoke personal training. Whatever your goal, our recommended personal trainer will give you tailored advice to complete your objectives. Available upon request.
